Donald Stevenson

Donald doesn't have the ability to do the 4th grade work. On his final exam he did second grade work. He works hard and steady, but doesn't get much done.

Mrs. Boezeman

George Coberly

This boy is capable of doing the work, but he never finishes work to be done. He sits and plays with toys, or strings, or just any play thing.

One after noon from 1:00 to 4:00 he read one reading story. He read it four times just because he played during his reading and he couldn't tell the story till the 4th reading.

Mrs. Brezeman
